Dear Ed:

25X1

I very much appreciate your letter of April 15  
inviting [ ] to my attention.

25X1

I know [ ] am fully conversant with his back-  
ground and qualifications and have in fact given  
careful consideration to utilizing his capabilities  
here on previous occasions.

At the present time I am actually in process  
of cutting down gradually on our over-all personnel  
strength. Hence, except for clerical replacements,  
we are hiring very little. We do take on a few  
bright young men at the junior professional level  
or an occasional individual with unique qualifications  
in some particular field but this is about all. We  
have followed a policy of bringing our people up  
through the ranks here and are now well staffed with  
competent personnel at the senior levels. As a  
result, I just don't find a suitable spot for [ ]  
commensurate with his grade in which we could really  
utilize him advantageously.

25X

With best wishes.

Faithfully yours,

SIGNED
